## J-Match 2D Barcode Utilization

# Customer Utilization

Scan / Read QR Bar Code

If prompted for Service ID enter:  
**01234**

At Password prompt enter:  
**9999**

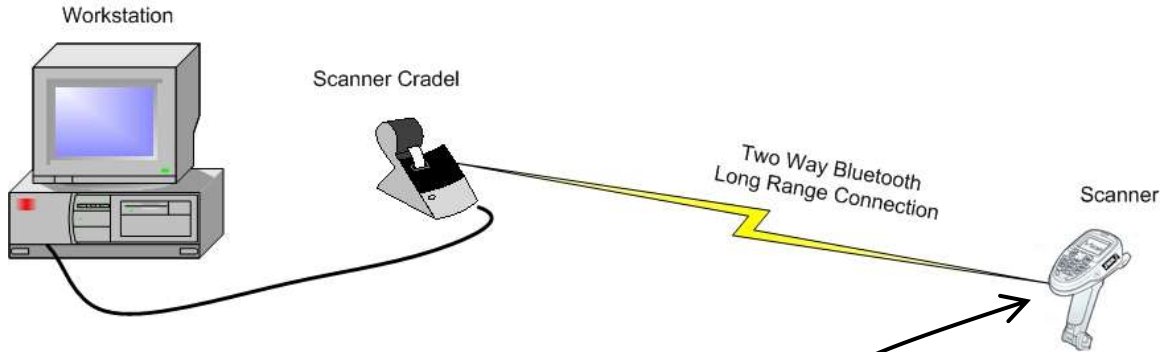

Try this out with your smart phone bar code reader  
Scan/Read this 2D QR bar code windshield sticker

Scan / Read 2D bar code window sticker with a smart phone to automatically link to JMK Web site for:

- A. Vehicle service history.
- B. Service Maintenance Schedule for that vehicle.
- C. Service Coupons
- D. Additional options.

# Tire Dealer Use

## I. Assign 2D bar code **window sticker** to customer work order.

From an existing work order use the JMK wireless handheld scanner to scan a work order bar code and assign that work order to a pre-printed 2D barcode window sticker.
